

APPLICATION FOR REINSTATEMENT AFTER SUSPENSION

Students (degree or non-degree-seeking) who have been academically suspended **may not reenroll** for at least **one full semester**. * Students wishing to re-enroll following academic suspension must apply for reinstatement after one semester has passed. Students academically suspended three times must wait three academic years before an application for reinstatement will be considered.

Applications for reinstatement must be submitted to the Registrar's office and a Returning Student Admission Application must be submit to Admissions prior to the application deadline of the reinstatement term. Upon reinstatement, students must meet with an advisor in *Career & Advising Services* to verify the number of credits for which they are eligible to register.
