<td>For all risk levels: stay home if you are sick, maintain physical distance of 6 feet from others (outside of immediate family) whenever possible, wear face coverings in public when physical distancing is not possible, wash hands frequently for at least 20 seconds or use hand sanitizer, maintain increased awareness, cleaning, and other protocols as established. Large gatherings are asked to implement physical distancing, use of face coverings by staff and participants, increased sanitization measures, and increased personal hygiene measures (handwashing/hand sanitizing). All individuals carefully monitor their health.</td>
