*8-week sections have a section number ending in 'A' for Session A or 'B' for Session B and reflect the actual session dates in Student Planning & Registration on WarriorWeb.

The Registrar's Office will notify Student Accounts and Financial Aid when a registration change occurs for a student enrolled in or adding an 8-week course and both offices will review the student's records and follow-up with the student when necessary. If the enrollment change will result in a financial issue for the student, the student can opt to reverse the change immediately upon notification.
