

## A Life-Changing Career

# Summer III Nurse Internship: Rochester, MN

Each summer, student nurses across the United States take part in a 10 week paid Summer III experience June –August (exact dates found in job posting). During this experience employees have an opportunity to expand nursing knowledge and critical thinking skills while working under the direction of nursing professionals. Summer III's also have the opportunity to live, socialize, and work with other nursing students from across the nation.

### PROGRAM DETAILS

**Orientation** – The Summer III experience includes a paid orientation.

**Schedules** – Summer IIIs will be expected to work full time (30-36hrs/wk). Opportunities for extra shifts maybe offered.

**Uniforms** – Summer IIIs are responsible for providing uniforms. Specific information will be provided upon hire.

**Salary** – Summer IIIs will earn a competitive salary on a bi-weekly basis.

**Housing** – Summer IIIs may make your own housing arrangements. Mayo Clinic may offer financial support for housing in Rochester, MN.

### REQUIREMENTS

To participate in the Summer III externship candidates must have:

- Completed their Junior year of a four-year baccalaureate program in nursing, including completion of 2 semesters or 3 quarters of clinical nursing experience.
- A satisfactory academic record.
- Basic Cardiac Life Support for healthcare providers- BCLS.
- Enroll in the Minnesota Board of Nursing Internship upon program acceptance. Participants are responsible for college credit cost.

Mayo Clinic is a nonprofit, values-based organization committed to innovation in clinical practice, education and research, and providing compassion, expertise and answers to everyone who needs healing. Our primary value is “the needs of the patient come first.”
