LC State Graduation Requirements‡

Residency Credits	32	
Upper Division Credits	36	
TOTAL Credits	120	

‡All Idaho nursing schools operate under the Idaho Statewide Nursing Articulation Agreement, which is designed to facilitate the progression of nurses from one educational level to the next. This agreement provides for escrow credits, which are a means for nurses to be granted academic credits for previous nursing knowledge. There is a fee of \$20.00 per escrow credit to have these credits appear on the student's transcript. **CCS students taking only the minimum credits required for their AS-DTA/MRP may need up to 14 escrow credits.**

Complete all required/elective coursework for the DTA/MRP degree at Community Colleges of Spokane.

- This advising guide is based on completion of an Associate in Nursing DTA/MRP degree at Community Colleges of Spokane.
- Students who transfer without a DTA/MRP will need to work with an LC State advisor to meet Idaho general education core requirements.

Major credits may not duplicate General Education courses
