Dear Johnathan,

This is your Financial Aid Offer for the above award year. Your Budget and offers are based on our review of your completed financial aid application. The Budget is an estimate of your educational expenses for the periods shown below. It consists of both Direct and Indirect costs. These costs include tuition and fees, room and board or a living allowance, books and supplies, transportation, and other personal/miscellaneous expenses. Your Budget should not be confused with your Student Account Statement (bill). This Aid Offer is based on your expected enrollment of Full Time (12+ credits) for Fall and Full Time (12+) credits for Spring. If your actual or intended enrollment differs from this expectation contact the Financial Aid Office to adjust your aid package.
