Use separate paper and attach typed response to one of the following topics.

****Please include your name and question you are addressing at top of page****

ESSAY TOPICS:

All scholarships require a short essay (one page or less) on **one** of the topics below.

1. Select a person, other than a family member, who has made a difference in your life and explain his or her influence on you.
2. Describe a family, social, or school situation in which your leadership made a difference.
3. How has the neighborhood(s) you've grown up in molded you into the person you are today?

LETTER OF RECOMMENDATION:

Attach one letter of recommendation from a teacher, business owner or someone who can speak to your work-ethic, academic, and career goals. Please include contact information for who wrote the letter.

INTERVIEW TOPIC:

Scholarship recipient finalists will be requested to participate in a 10-20 minute interview. Come prepared to answer the following questions asked by the Rogers Motors Scholarship Committee:

1. Why do you want to study auto mechanics technology or collision repair technology? Explain why you chose to attend Lewis-Clark State College and describe your goals for the future.
2. What do you know of Rogers Motors and their community involvement?
