**NOTE:** scores are good for two years from date taken for placement. It's recommended to take the ALEKS or WPE if scores are older.

\*P courses must be taken concurrently with their associated core-level Math course.

**if students take more than one test, the highest test score will be used for course placement.**

If ISAT scores are from before 2025 dates and within the past two years, please call the Registrar's Office for assistance with registering.

For AP Exam Credit Scores, use the score chart found on the LC State Website.
