Dear all,

Last week I mentioned work being done on a connecting walkway to the Learning Garden and the SUB Patio project. As you can see below, the projects are coming along nicely.

Fall semester is just three weeks away! Please note the August events/dates below (including a number of [Signature Events](#)) and add them to your calendars.

Cynthia Pemberton, Ed.D.
President

Announcements

- **IT Director/CISO:** A campus open forum for the Director of IT/Chief Information Security Officer position will occur on Wednesday, Aug. 6, from 3-3:45 p.m. in Sacajawea Hall, Room 112, and

via Teams. The candidate's resume and the Teams link will be shared within the next few days on the LC State Intranet.

- **Jitterz is Open!** Limited summer hours (7 a.m.-1 p.m.) start today, July 28. Regular hours (8 a.m.-3 p.m.) begin Aug. 4. Stop by for your caffeine fix!
 - **Parking Permits:** 2025-2026 parking permits are available. [Register and pay online](#). Permits must be picked up at the Department of Public Safety office.
 - Annual Permit - \$95
 - Semester Permit - \$65
 - Additional Permit - \$25
 - **Teams Phone Updates:**
 - **Calling a Department on Teams:** To reach a department, dial its published extension instead of searching for the department name in the Teams address book. If you do not know the extension, utilize the [online campus directory](#). Teams Phone numbers are assigned to users' email accounts and not department email accounts as that would have required an additional cost per department account. For example, if you need to call the Helpdesk, dial 2231 instead of searching for "Helpdesk". When you search Helpdesk in Teams, it will present the department email account for the Helpdesk which does not have a number assigned to it.
 - **Desktop Phones:** IT has visited all offices on campus and believes it has picked up all the desktop phones. If any were missed, please send an email to helpdesk@lcsc.edu with the location of the phone and it will be retrieved.
 - **University Name Change:** For frequently asked questions, information, and ongoing updates regarding the initiative to evolve LC State's moniker to "Lewis-Clark State University" visit www.lcsc.edu/university.
 - **Vehicle Use Agreements (VUAs):** State of Idaho Policy requires annual signing of VUAs, driver background checks, and Safe Driver Training. LC State's Policy 4.112 "Use of College Owned and College Rented Vehicles" is in the process of being updated to match these requirements. If you drive LC State owned or leased vehicles, you may be receiving a notification from Public Safety if it has been more than a year since you last signed your VUA. Please email lwilson@lcsc.edu if you have any questions.
 - **Windows 10:** Microsoft has announced that Windows 10 will reach end-of-life in October. Beginning Aug. 11, IT will start upgrading college computers still running Windows 10 to Windows 11. Upgrades will occur overnight to minimize disruption and will be spaced out over several weeks. If you would like your computer upgraded on a specific date, please email helpdesk@lcsc.edu with your request. Thank you for your cooperation as we continue to keep our systems secure and up to date.
