

Dear KinderCollege Families,

We want to take a moment to thank you for being a part of the KinderCollege family. We are grateful for the trust you place in us to care for, teach, and support your children each day. As we continue working to provide a safe, nurturing, and high-quality learning environment for the children in our care, we will be adjusting our tuition rates beginning January 1, 2027. We understand that changes to tuition are important to families, and we have carefully considered this adjustment. The new rates will help us continue supporting our classrooms, staff, learning materials, food, supplies, and the day-to-day needs of our program.

New KinderCollege Rates Effective January 1, 2027

Program	Daily/Part-Time*	LC Student Full-Time	Community Full-Time
Infant	\$57/day	\$875/month	\$975/month
Toddler	\$47/day	\$800/month	\$900/month
Preschool / PreK	\$45/day	\$675/month	\$775/month

Registration Fee: \$60

We appreciate your understanding and continued support as we make this adjustment. Our goal is to continue providing a positive, caring, and enriching environment where children can learn, grow, and feel supported each day.

If you have questions about the new rates or how this change will affect your family's tuition, please feel free to reach out to us. We are happy to answer any questions and help make this transition as smooth as possible.

Thank you for allowing KinderCollege to be a part of your child's early learning experience. We truly appreciate our KinderCollege families and look forward to continuing to grow together.

Warmly,

Stephanie Dickinson
