NURSING DEGREE BRIDGE

RFTS recipients graduating with an ADN can continue to receive funds if they begin classes to attain their BSN within six months.

This scholarship is offered twice a year, fall and spring.

For questions, email rfts@slhs.org

ELIGIBILITY

-  Employed at St. Luke's for at least six (6) months
-  Must have completed nursing prerequisite courses and be accepted to or enrolled full-time in the Lewis-Clark State College BSN program.
-  Must be at least 0.4 FTE during application and throughout RN and/or BSN program.
 - *Those accepted into the St. Luke's Nursing Apprenticeship Program (SNAP) are permitted to follow the SNAP FTE requirement, given the fact that they are doing a combination of a full time and flex schedule over a 12-month period*
-  Eligible for in-state tuition
-  Willing to commit to St. Luke's for 2 years after nursing program completion
-  Must not have been written up for disciplinary action within the previous twelve (12) months, or the duration of employment if employed for less than twelve (12) months.

Additional information can be found in policy PF040 in C360.
