LC STATE CAMPUS | 500 8TH AVE LEWISTON ID 83501

WELCOME

Welcome to Art Under the Elms!

On behalf of the Center for Arts and History and Lewis-Clark State College, welcome to Art Under the Elms!

We are thrilled to share this year's festival with you. As one of LC State's signature events, Art Under the Elms brings 8,000–10,000 visitors to campus each year for a vibrant, family-friendly weekend of art, music, food, and community. This year, you'll experience exciting new additions alongside returning favorites—including a record number of artisan vendors, artist workshops, delicious food trucks, and a dynamic lineup of local, regional, and national performances.

Presented by the Center for Arts and History, this event reflects our mission to connect campus and community through the arts and humanities. We are especially excited to have several artists currently featured in our gallery also participating as vendors this year—be sure to stop by the Center for Arts and History and visit their booths during the festival!

This event would not be possible without the support of our sponsors, volunteers, artists, and attendees. Thank you for being part of this incredible tradition.

We invite you to explore, discover, and enjoy everything Art Under the Elms has to offer.
