

First Day of Semester Checklist

	<p>Once you've registered for classes, use this list to ensure that you are ready for your first semester at LC State!</p>
	<p>Make sure you know the name of your advisor and how to reach him/her (hint: WarriorWeb Student Planning – Plan & Schedule – Advising).</p>
	<p>Arrange for delivery of your final high school transcripts, college transcripts, and/or AP scores to LC State.</p>
	<p>Find out what you will need to pay (tuition, fees, housing, meal plans, and parking permit) and when it is due (hint: day five of each semester). Statements are posted to WarriorWeb in July (fall) or January (spring).</p>
	<p>Touch base with the Financial Aid Office – Let them know you have registered for classes. Make sure you have submitted any necessary documents they may need.</p>
	<p>Check your WarriorMail account regularly. You may receive messages from a variety of LC State offices, even before classes begin. Respond to messages you receive.</p>
	<p>If you need to provide documentation of health insurance as a student athlete, be sure to take care of this early. Ask your coach if you have any questions.</p>
	<p>Arrange housing far in advance of the start of school. If you are on a waitlist, consider finding an alternative option as a backup plan.</p>
	<p>Get Microsoft Office for free! Use your WarriorMail account to set up your account.</p>
	<p>Plan to attend Orientation. You don't want to miss this event where you will meet your classmates, learn about LC State policies and processes, and acclimate to campus.</p>
	<p>Purchase all required books and supplies before classes begin. Wait until you start classes to buy optional supplies...you will find out what you need once you attend each class.</p>
	<p>Planning to work while in college? There are employment opportunities both off and on campus for students. Check with the Student Employment and Career Center for more information!</p>
	<p>Print out your class schedule during the week before you start classes. Up to that point, locations may still change. Go to WarriorWeb - Student Planning – Plan & Schedule.</p>
	<p>Once you arrive on campus, use the campus map and practice “walking your schedule”, so you know how to get from one point to the next.</p>
	<p>Get lots of rest before your first week of school – it's usually exhausting!</p>
