## Get a Spring on Summer and Fall Courses

Upcoming summer and fall course shells are now available in Canvas.

As spring semester is halfway over, now is a perfect time to get a jump start on preparing for your upcoming summer and fall courses. If you need assistance importing content from courses you taught previously, please refer to the tutorial below or reach out to your Instructional Designer.

How to copy content from one Canvas class to another

If you are wanting another instructor's content, please email your Division Chair for permission and CC your Instructional Designer.

## Seasonal Breaks and eLearning Services

We are here all of Spring Break and summer to help with course copies, a fresh design facelift for your content, help transitioning from YouTube to Panopto, or any other Canvas course needs!

The best way to get help from your ID is to schedule an appointment! We can meet inoffice or via Teams for your convenience. Book back to back if you need more than 30 minutes.

## No Foolin', Discussions are Back!

Instructure received feedback on their recent changes to Discussion Boards in Canvas Speedgrader and have stepped back some of their recent updates! When faculty grade student's discussion posts, whether you use Checkpoints or not, the grading interface, by default, has reverted back to what it used to be prior to the update.

If you enjoyed the updated Speedgrader interface for Discussion Boards, click on the 'switch to viewing the full discussion context' link located at the top. After clicking on that link, the grading window will refresh and show the student's discussion posts and replies in context of the Discussion Board. To toggled from the 'Context View' to 'Individual Posts View,' click on the 'Switch to individual posts' link in the upper right corner next to the grading panel.

## Don't Joke Around, Migrate Classic Quizzes to New Quizzes

Get a head-start preparing your FA2025 courses as your course shells are now available in Canvas! As the Classic Quiz platform will no longer be available for the upcoming fall semester, so there is no time like the present to migrate your Classic Quiz content over into the New Quiz platform.

To help faculty navigate this transition, eLearning Services has created how-to tutorials on how to transfer content. View the resource links below.

- How to Migrate Classic Quizzes to New Quizzes (No Question Banks)
- How to Migrate Question Banks (Classic Quizzes) to Item Banks (New Quizzes)

For further help and assistance with the migrating from the Classic Quiz to New Quiz platform, please reach out to your Instructional Designer.
