Satisfactory Academic Progress (SAP)

Green means Good to Go

Yellow means Warning or Approved Academic Plan

Red means you are out of SAP Compliance and have been Denied Financial Aid *

Checklist shows **Green** - it's Completed

Checklist shows **Yellow** - Action Needed; there's work to do **

The screenshot displays the Financial Aid Dashboard for user Jamie Anne Smith. At the top, it says 'Welcome to Financial Aid!' and provides a 'Contact Financial Aid Office' link. A green status bar indicates 'Your most recent Satisfactory Academic Progress (SAP) evaluation has a(n) Satisfactory status.' Below this, a 'Financial Aid Checklist Complete!' message is shown. To the right, a 'Student Finance Account Summary' table shows: Amount Due (\$0.00), Amount Overdue (\$0.00), and Total Amount Due (\$0.00). Below the summary, a yellow warning message states: 'Your most recent Satisfactory Academic Progress (SAP) evaluation has a(n) Academic Plan status and you may be at risk of losing your Financial Aid funding.' A red error message follows: 'Your most recent Satisfactory Academic Progress (SAP) evaluation has a(n) Denied status and you may be at risk of losing your Financial Aid funding.' The main checklist table shows several items: 'Completed' (Off Campus), 'Completed' (FAFSA), 'Action Needed' (Complete required documents), 'In-Progress' (Application being reviewed), 'Completed' (Review and accept award package), and 'Action Needed' (Review and sign offer letter). A 'Loan History' table shows a total loan amount of \$4,985. A 'Pell Lifetime Eligibility Used' section shows 25.000% used. The 'Resources' sidebar includes links for '2025 Summer Financial Aid', 'Financial Aid Forms', '2025-26 Work-Study Request', '25-26 Aid & Enrollment Adjustments', 'Master Promissory Note', 'FAFSA Application', 'PLUS Loan Application', 'NSLDS Information', 'Entrance Counseling', and 'Net Price Calculator'.
